5. Changes to the DPD

Please give details of what change(s) you consider necessary to make the DPD sound, having regard to the test you have identified in response to question 4(b). You will need to say why this change will make the DPD sound. Please be as precise as possible.

KING GEORGE VI PLAYING FIELDS was given to the people of ELBURTON "in perpetuity" in 1957. The land in lieu in the new development is not in ELBURTON. The impact on this area is NOT acceptable to the people of ELBURTON. BILLACOMBE & PLYMSTOCK. The alternative is to consider the proposal "Sheffield Refined" linking the A38 at Deepkane End to Chittleburn/BRIXTON on A379

(Please continue on a separate sheet if necessary)

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation. **After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

Can your representation seeking a change be considered by written representations or do you consider it necessary to attend in person at the Examination?

6(b). Examination

If you wish to attend in person at the examination, please outline why you consider this to be necessary:

[Empty box for response to 6(b)]

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to attend the Examination.
