Subject: Representations to the Submission Draft South Hams District Council Affordable Housing Development Plan Document
Importance: High

Dear Sir / Madam

Please find attached representations in relation to the submission draft South Hams District Council Affordable Housing Development Plan Document. Pioneer is submitting these representations having prepared them on behalf of Red Tree (2004) Ltd. I have also placed a hard copy of the attached representations in the post to you.

The attached document sets out, in chronological order, representations in relation to affordable housing issues raised within the submission draft South Hams District Council Affordable Housing Development Plan Document.

The Affordable Housing DPD (Submission Stage) Response form - a copy of which has been included for each representation and which refers the reader to the appropriate representation and required modification within the main representations report - is being sent under separate cover within 4 consecutive emails. The document is so large it is not possible to send this within one email. Please note that a hard copy of these forms will be included with the hard copy of the main representations report being sent to the Council.

Please can notification be provided to Pioneer Property Services Ltd of the publication of the response to these representations and also of the adoption of the submission draft South Hams District Council Affordable Housing Development Plan Document should the latter occur. Notification should be made to the following address:

Attn Zoe Stiles
Senior Project Manager
Pioneer Property Services Ltd
Hartham Park
Hartham Lane
Corsham
Wiltshire
SN13 0RP

Please could you confirm receipt of these representations by return email.

Kind regards
