Item	South Hams Sustainable Community Strategy Action Plan 2009 – 2011
Date	8 June 2009
Summary of Progress	<p>The Draft Action Plan was circulated to SHSP at the last meeting. No further comments have been received since.</p> <p>Champions are still needed for the following projects:</p> <ul style="list-style-type: none"> • Partners to give local businesses the opportunity to provide them with goods and services. • Partners to promote local buying amongst employees and services users. • Investigate the potential for local work hubs. <p>The suggestion has been made that future meetings of the SHSP could follow a themed approach, enabling the progress of activities under each of the 4 Sustainable Community Strategy Priority Themes to be looked at in turn.</p> <p>This would give SHSP members a chance to review/learn more about the range of strategy documents together with their associated action plans, issues and/or successes in local delivery and gain a better understanding of well-being in the South Hams.</p> <p>Both the Housing and Prosperity Strategies which ‘nest’ beneath the SCS are to be reviewed. This process will begin in Autumn 2009.</p>
SHSP Action recommended	<ul style="list-style-type: none"> • Adopt the SCS Action Plan. • Agree Champions as outlined above • Agree that future SHSP meetings have a themed agenda
