

Item 3 Partners Up-date

Organisation	Ivybridge Town Council / Ivybridge Regeneration Group
Date	8 June 2009
Summary of Progress	<ol style="list-style-type: none"> 1. South Hams CVS in conjunction with the Town Council is developing a Caring Group for Ivybridge, linking with individuals identified by PCT needing support. Initial grant funding from Ivybridge Town Council with £500 match funding from the combined District Councillor locality funds. A committee is being formed and a public meeting held shortly. 2. Hydro Power on the River Erme being progressed with the Environment Agency and Tor Homes (as well as the local PL21 Environment group, DARE and RE4D) following a positive site meeting in May. 3. As part of the Town and Parish working group discussions convened by Devon County Ivybridge has been identified to pilot the One Stop Shop facilities in Devon. Meetings will be set up with County, District, police and other agencies to explore how service delivery for residents can be improved and can be properly sustained for the long term.
Current / Shared Issues	All the above
SHSP action recommended	Support for developing a pilot One Stop Shop delivery in Ivybridge so that shared information and contact points for each of the towns can be achieved as part of the Community Vibrancy theme of developing outreach facilities, rather than an ad hoc delivery as now.
