Dear Mr Brown

Re - application (01/0991/09/F), 1 Dunstone Cottages, Asprington TQ9 7UW

I am writing in favour of the above application, I think a new home using natural stone and slate will fit into Asprington very well. The design is attractive as well as being sympathetic to its surroundings and the size of plot. I also think the enlarged entrance perfectly adequate for access. This will provide someone with a lovely home in a fabulous village.

Yours sincerely

V Moran

Case Officer: Edward Brown

I would like to support this application wholeheartedly.

The sympathetic use of suitable materials, and the way the design is blended into the surrounding countryside makes it a worthwhile application

Yours

Michael Cranmer

Dear Mrs Carr

I am writing to you in response to your collision data enquiry for the road into Ashprington from Totnes between Hilltop Cottage and the land to the rear of Dunstone Cottages.

The attached plan shows the area that has been examined for collisions reported to the police over the past five years (2004 to 2008 inclusive). During this period there have been no reported collisions.

Yours Sincerely

Matt Edmunds  
Road Safety Data Analysis and Intelligence Officer
