Risk Assessment

6 Risk Assessment

The following are the significant risks and opportunities identified;

Opportunity	Issues / Obstacles	Benefits
<p>To review the application in line with:</p> <ul style="list-style-type: none"> • The Licensing Act; • National Guidance issued by the Secretary of State, and, • The South Hams District Council Statement of Licensing Policy. 	<p>The need to address the four Licensing Objectives written within the Act namely:</p> <ul style="list-style-type: none"> • The prevention of Crime and Disorder; • Public Safety; • The prevention of public nuisance; and • The Protection of children from harm. <p>(Also listed alongside as a benefit)</p> <p>Due consideration should be given to Guidance issued by the Secretary of State under section 182 of the said Act 2003.</p> <p>Due consideration should be given to the Council's Licensing Policy Statement.</p>	<p>To be able to give consideration to representations made by 'Interested Parties' and / or 'Responsible Authorities' in line with the Licensing Objectives, namely:-</p> <ul style="list-style-type: none"> • The prevention of Crime and Disorder; • Public Safety; • The prevention of public nuisance; and • The Protection of children from harm.

	Failure to adequately consider these issues could result in the Council facing an appeal to the Magistrates Court.	
To create an increased opportunity for employment in the district.	The above must always take precedence.	As detailed above.
An opportunity to maintain the districts distinctive environment whilst enabling access and sensitive development.	The above must always take precedence.	As detailed above.
To consider whether the proposal would promote tourism. The population doubles in the summer months with tourists and international visitors who are, in the main, families with young children and retired people – the very segments of society who would perhaps be deterred by anti-social behaviour.	The above must always take precedence.	As detailed above.

Conclusion

- 7 The Interested Parties who made the representations are satisfied that the implementation of the agreed amendments to the original application will satisfy the licensing objectives. The granting of the licence subject to the amendments will not set the licence in stone. Parties can request a review of the licence at any time if the licensing objectives are not met.
