1.3 This is the fourth time in the past twenty seven months the applicant has tried to extend opening hours past midnight.

The first application was heard before a Licensing sub-committee on 15th August 2005 during the transitional arrangements following representations. The second hearing was by way of an appeal to the South Devon Magistrates Court which was heard on 4th January 2006 with the matter being dismissed by the Licensing Justices.

The next application to vary the licence was received by the licensing department in April 2006, just four months after the matter was dismissed in the Magistrates Court. Again there were representations from residents. The application was heard by the Licensing sub-committee on 14th June 2006 and the applicants were granted an additional thirty minutes for alcohol sales and closing times. Recorded and live music remained the same.

1.4 The application you have before you is now the fourth attempt to vary the licence.

1.5 Interested Parties and Responsible Authorities, namely the Police and Environmental Health have made representations against the application which are attached (**Appendix B**).

1.6 Proposed conditions from Police are as follows:

Police (Representation 1)

The application should be amended to include the condition:

A recording CCTV system to be installed, retained and maintained to the satisfaction of the Chief Officer of Police. Recorded images to be retained for 31 days and made available to a Police Officer or Local Authority Licensing Officer on request, at any reasonable time. If the CCTV equipment is inoperative, the police and licensing authority will be informed as soon as possible and immediate steps will be taken to put the equipment back into action. A notice will be displayed at the entrance to the premises advising that CCTV is in operation.

1.7 Proposed conditions from Environmental Health

Environmental Health (Representation 2)

Recorded music to remain as per the application form.

Live music to be amended to 23:30hrs on Thursday, Friday and Saturday with an additional hours extension on New Years Eve, the Dartmouth Music festival period and the Dartmouth Regatta days.

1.8 As the applicant wishes to extend the retail sale of alcohol and provide regulated entertainment, under the Licensing Act they require a variation of the premises licence. As regards to this application, only Interested Parties or Responsible Authorities may make representations.

1.9 A plan of the location will be available at the hearing showing the premises and other occupied properties in the location.

1.10 The Licensing Department have not attempted to mediate this application.

(Please note that due to the vast amount of paperwork contained within these appendices, full copies have only been circulated to the Subcommittee Members. Any Interested Parties who would like to receive full (or part) copies are asked to contact Member Support Services on (01803) 861273.

3 Summary of Representations / Objections

- 3.1 As mentioned above, representations have been received from the residents, the Police and Environmental Health. Their representations are set out in **Appendix 'B'**

4 Relevant Licensing Policy Considerations

Licensing Objectives

- 4.1 Section 2.1 of the Policy states: The Licensing Authority has a duty under the Act to carry out its licensing functions with a view to promoting the four licensing objectives. These are the only matters that the Sub Committee should take into account when determining the application and any conditions to be attached to the licence must be lawful, necessary, appropriate, relevant, proportionate, realistic, and achievable and within the control of the applicant to accomplish the licensing objectives.
- 4.2 Section 2.2 of the Policy states: A licence will only be granted where the licensing authority is satisfied that these objectives have been met.
- 4.3 Section 2.3 of the Policy lists the kind of measures the licensing authority will be expecting to see taken into account to promote the objectives.

Conditions

- 4.4 Sections 2.5 & 2.6 of the Policy set out additional legislation, strategies, policies and guidance that the licensing authority will have regard to. Section 4 of the policy sets out what the Sub-Committee should consider before imposing conditions on a licence.
- 4.5 The Guidance issued under Section 182 Licensing Act 2003 also states:

- 4.6 The Licensing Authority may not impose conditions unless its discretion has been engaged following the making of relevant representations and it has been satisfied at a hearing of the necessity to impose conditions due to the representations raised. It may then only impose such conditions that are necessary to promote the licensing objectives arising out of the consideration of the representations.
- 4.7 Where applications have given rise to representations, any necessary and appropriate conditions should normally focus on the most sensitive periods. For example, music noise from premises usually occurs from mid-evening until either late evening or early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. In certain circumstances, conditions relating to noise may also prove necessary to address any disturbance anticipated as customers enter and leave the premises and therefore, in the immediate vicinity of the premises.

Licensing Hours

- 4.8 Section 6.1 of the Policy states: The LA will deal with the issue of licensing hours on the individual merits of each application. However, when dealing with licensing hours beyond midnight it is more likely that relevant representations will be made unless there are higher standards of control within operating schedules to promote the licensing objectives especially for premises which are situated near residential areas.
- 4.9 Section 6.2 of the Policy states: When considering the representations the licensing authority will give due weight to the alcohol related violence statistics, especially on a Friday and Saturday evening and generally expect premises used for the sale or supply of alcohol or the supply of hot food or hot drinks that wish to operate after midnight, to have CCTV installed inside and outside the premises included in their operating schedule.
- 4.10 Section 6.3 of the Policy states: In considering relevant representations, the licensing authority will consider the adequacy of measures proposed to deal with the potential for nuisance and/or public disorder having regard to all the circumstances of the case.
- 4.11 Section 6.4 of the Policy states: The terminal hours will normally be approved where the Applicant can show that the proposal would not adversely affect the licensing objectives unless, after hearing relevant representation the licensing authority believe it necessary, proportionate and reasonable to restrict the hours required.

- 4.12 Section 6.5 of the Policy states: The licensing authority recognises that fixed and artificially early closing times in certain areas can lead to peaks of disorder and disturbance on the streets when large numbers of people tend to leave licensed premises at the same time. Longer opening hours for the sale of alcohol with longer time for consumption (which is not a licensable activity) before closing time may therefore be considered as an important factor in reducing friction at late night food outlets, taxi ranks and other sources of transport in areas where there have already been incidents of disorder and disturbance.

Children

- 4.13 Section 7.1 of the Policy states: The licensing authority recognises the great variety of premises for which licences may be sought. These will include theatres, cinemas, restaurants, pubs, nightclubs, cafes, takeaways, community halls and schools. Access by children to all types of premises will not be limited unless it is considered necessary to do so in order to protect them from harm.
- 4.14 Section 7.2 of the Policy states: When deciding whether or not to limit access to children the licensing authority will judge each application on its own individual merits. Examples which may give rise to concern in respect of children include premises: -
- ❑ where entertainment of an adult or sexual nature is provided
 - ❑ where there is a strong element of gambling taking place
 - ❑ with a known association with drug taking or dealing
 - ❑ where there have been convictions of the current management for serving alcohol to minors
 - ❑ with a reputation for allowing underage drinking

5. Key Issues

- 5.1 Noise from music and persons entering and exiting the premises
- 5.2 If this premise is granted a later licence then residents are concerned that customers won't arrive at the premises until late in the evening (migration)
- 5.3 The Sub Committee will now need to consider whether to grant this application as it stands or in the light of the representations to refuse the application or grant it in a different form.

6 Legal Implications

- 6.1 The Act requires mandatory conditions to be imposed (if applicable) on the licence, the wording of which is prescribed by the Act but may be summarised as follows:

(a) Section 19 - Mandatory conditions relating to the supply of alcohol

No alcohol may be supplied unless there is a designated premises supervisor who also holds a personal licence.

Every supply of alcohol under a premises licence must be made or authorised by a personal licensee

(b) Section 20 - Mandatory condition relating to exhibition of films

Children may only be admitted to films in accordance with the classification recommendations of the British Board of Film Classification, or as recommended by the licensing authority.

(c) Section 21 - Door Supervision

Where door supervisors are specified by condition, those individuals must be licensed by the SIA.

6.2 As relevant representation have been received in respect of a variation of a premises licence and not withdrawn, this application must be heard before the Licensing Sub-committee. (Relevant representations are about the likely effect of the grant of the application on the promotion of the licensing objectives, by Interested Parties or responsible authorities). The sub-committee must disregard any information or evidence not relevant to the licensing objectives.

6.3. The sub-committee must consider this application in accordance with Section 35 of the Licensing Act 2003. It requires that licensing functions must be carried out with a view to promoting the four licensing objectives. The licensing authority must also have regard to its own licensing policy and the Secretary of State's guidance, but may depart from both if it has good reason to do so. Those reasons should be stated.

6.4. The Act requires (Section 35) that in dealing with this variation application, the committee takes any of the following steps which are necessary for the promotion of the licensing objectives. The steps are:

i) modify the conditions of the licence;

ii) reject the whole or part of the application.

(and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added).

The sub-committee must give its reasons for its decision in taking any of these steps.

6.5 The committee will need to consider the hours of operation proposed, the effectiveness of the operating schedule proposed by the applicant, the representations received, the location of the premises in relation to residential properties, the history of the management of the premises, the evidence produced of any problems in the past, and the likely impact of any extension of hours and activities, public transport, taxi availability, the right the applicant has to operate a business and

balancing the rights of residents to the quiet enjoyment and privacy of family life. South Hams relies on tourism, the population in the district doubling in the summer months with holidaymakers both from this country and abroad. The majority of visitors are families with young children and retired people, the segment of society who would perhaps be deterred by anti-social behaviour.

These issues, and any other relevant ones, may be explored at the hearing in so far as it reflects the four licensing objectives.

6.6 If the sub-committee rejects the application, or modifies the conditions of the licence, the applicant or Interested Parties and Responsible Authorities may appeal within 21 days of notification of the decision to the Magistrates' Court. Those making relevant representations may also appeal if they believe that the licence should not have been varied, or that, when varying the licence, the licensing authority ought not to have modified the conditions, or ought to have modified them in a different way. The Magistrates' Court may dismiss the appeal, or substitute its own decision, or send back the case to the licensing authority with directions as to how the case is to be dealt with. The Magistrates' Court may make any costs order it thinks fit.

6.7 If extended hours/licensable activities are granted, the Licensing Act contains review provisions which enable those living or running businesses in the vicinity of the premises, bodies representing them or any of the responsible authorities to apply to this licensing authority for a review of the licence. A hearing follows which enables the sub-committee to use the normal powers at a hearing (set out above) but also to suspend the licence for a period of up to three months or to revoke it.

7. Risk Assessment

7.1 The following are the significant risks and opportunities identified;

Opportunity	Issues / Obstacles	Benefits
<p>To review the application in line with:</p> <ul style="list-style-type: none"> • The Licensing Act; • National Guidance issued by the Secretary of State, and, • The South Hams District Council Statement of Licensing Policy. 	<p>The need to address the four Licensing Objectives written within the Act namely:</p> <ul style="list-style-type: none"> • The prevention of Crime and Disorder; • Public Safety; • The prevention of public nuisance; and • The Protection of children from harm. <p>(Also listed alongside as a</p>	<p>To be able to give consideration to representations made by 'Interested Parties' and / or 'Responsible Authorities' in line with the Licensing Objectives, namely:-</p> <ul style="list-style-type: none"> • The prevention of Crime and Disorder; • Public Safety; • The prevention of public nuisance; and • The Protection of children from harm.

	<p>benefit)</p> <p>Due consideration should be given to Guidance issued by the Secretary of State under section 182 of the said Act 2003.</p> <p>Due consideration should be given to the Council's Licensing Policy Statement.</p> <p>Failure to adequately consider these issues could result in the Council facing an appeal to the Magistrates Court.</p>	
To create an increased opportunity for employment in the district.	The above must always take precedence.	As detailed above.
An opportunity to maintain the districts distinctive environment whilst enabling access and sensitive development.	The above must always take precedence.	As detailed above.
To consider whether the proposal would promote tourism. The population doubles in the summer months with tourists and international visitors who are, in the main, families with young children and retired people – the very segments of society who would perhaps be deterred by anti-social behaviour.	The above must always take precedence.	As detailed above.

8. Conclusion

- 8.1 For the Licensing Sub-committee to determine the variation of the Premises Licence application and give reasons for the decision made.
