Background/The Issues

1 Summary of Application

- 1.1 An application was received from Filham Music Limited on 6th July 2010 to vary the Premises Licence of **Filham Park, Filham, Ivybridge, PL21 0LE**. A copy of the existing Premises Licence is attached (**Appendix 'A'**) and the variation application with a plan of the proposed layout of the premises are attached (**Appendix 'B'**).
- 1.2 Filham Park, Ivybridge is used to host the IvyLive Music Festival. The festival is permitted to occur annually on one weekend (Friday, Saturday and Sunday) between 1st August and 30th September. The festival is due to commence 10th September until 12th September this year.
- 1.3 The applicant has requested to amend the licensed hours for regulated entertainment (live music, recorded music, anything of a similar description to live/recorded music, provision of facilities for dancing, and provision of facilities for entertainment of a similar description), sale and supply of alcohol and to include late night refreshment: Regulated entertainment to be from 5pm to 12.30am on Friday, 10am to 1am on Saturday and 10am to 4pm on Sunday. Sale and supply of alcohol to be from 4pm to midnight on Friday, 10am to 12.30am on Saturday and 11am to 3.30pm on Sunday. Late night refreshment to be from 11pm to midnight on Friday and from 11pm to 12.30am on Saturday. The layout of the premises has also been amended. See (**Appendix 'B'**).
- 1.4 The Licensing Department received one representation from an interested party (**Appendix 'C'**). They have objected on the grounds of public nuisance due to the 'excessive noise' which they experienced during the event last year. They would like regulated entertainment to be restricted to Friday and Saturday only and not to be extended to the hours requested in the variation application.

(Please note that due to the amount of paperwork contained within these appendices, full copies have only been circulated to the Sub-committee Members. Any Interested Parties who would like to receive full (or part) copies are asked to contact Member Support Services on (01803) 861273.)

4 Relevant Licensing Policy Considerations

Licensing Objectives

- 4.1 Section 2.1 of the Policy states: The Licensing Authority has a duty under the Act to carry out its licensing functions with a view to promoting the four licensing objectives. These objectives are the only matters to be taken into account in determining the application and any conditions attached must be necessary to achieve the licensing objectives.
- 4.2 Section 2.2 of the Policy states: A licence will only be granted where the Licensing Authority is satisfied that these objectives have been met.
- 4.3 Section 2.3 of the Policy lists the kind of measures the Licensing Authority will be expecting to see taken into account to promote the objectives.

Conditions

- 4.4 Sections 2.5 & 2.6 of the Policy sets out additional legislation, strategies, policies and guidance that the Licensing Authority will have regard to. Section 4 of the policy sets out what the Sub-Committee should consider before imposing conditions on a licence.
- 4.5 The Guidance issued under Section 182 Licensing Act 2003 also states:

- 4.6 The Licensing Authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it has been satisfied at a hearing of the necessity to impose conditions. It may then only impose conditions that are necessary to promote one or more of the four licensing objectives. Such conditions must also be expressed in unequivocal and unambiguous terms to avoid legal dispute.
- 4.7 Where applications have given rise to representations, any necessary and appropriate conditions should normally focus on the most sensitive periods. For example, music noise from premises usually occurs from mid-evening until either late evening or early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. In certain circumstances, conditions relating to noise in the immediate vicinity of the premises may also prove necessary to address any disturbance anticipated as customers enter and leave.

Licensing Hours

- 4.8 Section 6.1 of the Policy states: The licensing authority will deal with the issue of licensing hours on the individual merits of each application. However, when issuing a licence with hours beyond midnight it is more likely that relevant representations will be made unless there are higher standards of control included within operating schedules in order to promote the licensing objectives especially for premises which are situated near residential areas. There is no presumption within the legislation for longer opening hours.
- 4.9 Section 6.2 of the Policy states: When relevant representations are made to the Licensing Authority by interested parties or responsible authorities, concerning the prevention of crime and disorder licensing objective, the discretion of the licensing authority will be engaged. When considering the representations the licensing authority will give due weight to the alcohol related violence statistics, especially on the Friday and Saturday evening and generally expect premises used for the sale of supply of alcohol or the supply of hot food or hot drinks that wish to operate after midnight, to have CCTV installed inside and outside the premises included in their operating schedule.
- 4.10 Section 6.3 of the Policy states: In considering relevant representations, the Licensing Authority will consider the adequacy of measures proposed to deal with the potential for nuisance and/or public disorder having regard to all the circumstances of the case.
- 4.11 Section 6.4 of the Policy states: The terminal hours will normally be approved where the applicant can show that the proposal would not adversely affect the licensing objectives unless, after hearing relevant representation the Licensing Authority believe it necessary, proportionate and reasonable to restrict the hours required.

Children

- 4.12 Section 7.1 of the Policy states: The Licensing Authority recognises the great variety of premises for which licences may be sought. These will include theatres, cinemas, restaurants, pubs, nightclubs, cafes, takeaways, community halls and schools. Access by children to all types of premises will not be limited unless it is considered necessary to do so in order to protect them from harm.
- 4.13 Section 7.2 of the Policy states: When deciding whether to limit access to children or not the licensing authority will judge each application on its own individual merits. Examples which may give rise to concern in respect of children would include premises: -
- ❑ where entertainment of an adult or sexual nature is provided
 - ❑ where there is a strong element of gambling taking place
 - ❑ with a known association with drug taking or dealing
 - ❑ where there have been convictions of the current management for serving alcohol to those under 18
 - ❑ with a reputation for allowing underage drinking

5. Key Issues

- 5.1 The interested party is concerned about the prevention of public nuisance objective being undermined. They were disturbed by noise from the event last year, especially at night. They do not want regulated entertainment to be permitted on the Sunday or after 11.30pm on the Friday and Saturday nights.
- 5.2 The Sub-Committee will now need to consider whether to grant this application as it stands, or in the light of the representations to refuse the application or grant it in a different form.

6 Legal Implications

- 6.1 The Act requires Mandatory conditions to be imposed (if applicable) on the licence, the wording of which is prescribed by the Act and Regulations but may be summarised as follows:

(a) Section 19 - Mandatory conditions relating to the supply of alcohol

No alcohol may be supplied unless there is a Designated Premises Supervisor who also holds a personal licence.

Every supply of alcohol under a premises licence must be made or authorised by a personal licensee

(b) Section 20 - Mandatory condition relating to exhibition of films

Children may only be admitted to films in accordance with the classification recommendations of the British Board of Film Classification, or as recommended by the Licensing Authority.

(c) Section 21 - Door Supervision

Where door supervisors are specified by condition, those individuals must be licensed by the SIA.

(d) Section 19A - Irresponsible drinks promotions

Staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(e) Section 19A - No alcohol to be dispensed directly into the mouth of another person

No alcohol is dispensed directly by one person into the mouth of another

(f) Section 19A - Free drinking water

That free tap water is provided on request to customers where it is reasonably available.

- 6.2 As there are relevant representations, in respect of this variation application, a hearing must be held. (Relevant representations are about the likely effect of the grant of the application on the promotion of the licensing objectives, by interested parties or responsible authorities). The sub-committee must disregard any information or evidence not relevant to the licensing objectives.
- 6.3. The sub-committee must consider this application in accordance with Section 4 of the Licensing Act 2003, which requires that licensing functions must be carried out with a view to promoting the four licensing objectives. The Licensing Authority must also have regard to its own licensing policy and the Secretary of State's guidance, but may depart from both if it has good reason to do so. Those reasons should be stated.
- 6.4. The Act requires (Section 35) that in determining a variation application, the committee takes any of the following steps which are necessary for the promotion of the licensing objectives. The steps are:
- i) grant the application as submitted, subject to any Mandatory Conditions required;
 - ii) modify the conditions of the licence;

iii) reject the whole or part of the application;
and for this purpose the conditions of the licence are
modified if any of them is altered or omitted or any new
condition is added.

The sub-committee must give its reasons for its decision to take any of these steps. Similarly, if the application is rejected, the sub-committee must give its reasons.

6.5 The committee will need to consider the hours of operation proposed, the effectiveness of the operating schedule proposed by the applicant, the representations received, the location of the premises in relation to residential properties, the history of the management of the premises, the evidence produced of any problems in the past, and the likely impact of any extension of hours and activities, public transport, taxi availability, the right the applicant has to operate a business and balancing the rights of residents to the quiet enjoyment and privacy of family life. That South Hams relies on tourism, with the population in the district doubling in the summer months with holidaymakers both from this country and abroad. The majority of visitors are families with young children and retired people, the very segment of society who would perhaps be deterred by anti-social behaviour. These issues, and any other relevant ones, may be explored at the hearing in so far as it reflects the four licensing objectives.

6.6 If the sub-committee rejects the application, or modifies the conditions of the licence, the applicant or Interested Parties may appeal within 21 days of notification of the decision to the Magistrates' Court. Those making relevant representations may also appeal if they believe that the licence should not have been varied, or that, when varying the licence, the Licensing Authority ought not to have modified the conditions, or ought to have modified them in a different way. The Magistrates' Court may dismiss the appeal, or substitute its own decision, or send back the case to the Licensing Authority with directions as to how the case is to be dealt with. The Magistrates' Court may make any costs order it thinks fit.

6.7 If extended hours/licensable activities are granted, the Licensing Act contains review provisions which enable those living or running businesses in the vicinity of the premises, bodies representing them or any of the responsible authorities to apply to this Licensing Authority for a review of the licence. A hearing follows which enables the sub-committee to use the normal powers at a hearing (set out above) but also to suspend the licence for a period of up to three months or to revoke it.

7. Risk Assessment

7.1 The following are the significant risks and opportunities identified;

Opportunity	Issues / Obstacles	Benefits

<p>To create an increased opportunity for employment in the district.</p>	<p>The above must always take precedence.</p>	<p>As detailed above.</p>
<p>An opportunity to maintain the districts distinctive environment whilst enabling access and sensitive development.</p>	<p>The above must always take precedence.</p>	<p>As detailed above.</p>

<p>To consider whether the proposal would promote tourism. The population doubles in the summer months with tourists and international visitors who are, in the main, families with young children and retired people – the very segments of society who would perhaps be deterred by anti-social behaviour.</p>	<p>The above must always take precedence.</p>	<p>As detailed above.</p>
