

AGENDA ITEMS FOR FUTURE MEETINGS OF SCRUTINY

Other Issues Raised	Current Status
Education and social services provision (Local Area Agreement)	A presentation and discussion on Local Area Agreements has been proposed. It is suggested that this be programmed for Scrutiny post May 2007.
South West Water budget setting	A letter has been received from the Chief Executive of South West Water advising that a representative will attend a future Scrutiny Group meeting to explain its budget setting.
Mental Health Services Review	Devon County Council has contacted the Chairman advising that its Overview and Scrutiny Group is inviting SHDC to contribute to a full review of the transition from hospital / residential based care to community based care for people suffering from mental illness. In particular, the adequacy of services in the community and the impact that the transition may have on both service users and the wider community.
