LSC.60/05 CONSIDERATION OF AN APPLICATION FOR A VARIATION OF A PREMISES LICENCE UNDER THE LICENSING ACT 2003: THE ODD WHEEL, WEMBURY, PLYMOUTH.

1. Licensing Officer's Report

The Licensing Officer presented his report and outlined the application before the Sub-Committee. There were no representations from the police in respect of the variation. The operating schedules had been amended after mediation with those that had lodged relevant representations and all parties had agreed that there should not be a formal hearing.

The following application was considered:

The Odd Wheel, Wembury, Plymouth.

2. Committee's Deliberations

The Sub-Committee asked the Licensing Officer if all those who originally objected to the operating schedule were now content with the proposed amendments to the operating schedule and whether all had agreed that there should not be a formal hearing. The Licensing Officer confirmed that this was the case.

3. The Decision

The Chairman announced the decision:

“We have considered the application to grant a variation to the existing premises licence.

We have considered our own Statement of Licensing Policy, the guidance and our obligations that relate to promoting the four licensing objectives.

We note the revised operating schedules submitted as amended and that all parties are in agreement that a hearing is not necessary.

It is our decision therefore, to grant the licence subject to the amended operating schedules”.
