Subject: Sherford -alternative sites response

Dear Sir

Modbury Parish Council have instructed me to write to voice their opposition to the alternative site of Sherford proposed by Plymouth and South West Co-operative Society.

We are concerned at the inevitable increase of traffic, both trade and recreational, eastwards on the A379 from Sherford. This was always a problem but the new proposal exacerbates this. This road into the South Hays from Plymouth is already inadequate, particularly in the summer months, and this will be made worse by the completion of Sherford.

Yours faithfully

David Hansford
Parish Clerk
