No	Yes (Issues & Options Stage)	Yes (Preferred Options)	Yes (Submission Stage)
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

If you answered 'No' to the above, can you briefly explain why you did not do so:

CONSIDERED AN OBJECTION TO THE ORIGINAL PLAN WOULD BE A WASTE OF TIME AS THE OUTCOME HAD ALREADY BEEN DECIDED

4(a). Nature of Representation

Do you consider the Alternative Site to be:

Sound¹

Go to Q.5

i.e. that you support the alternative site

Unsound

Go to Q.4(b)

i.e. you do not support the alternative site to the one proposed in the Sherford AAP

4(b). Nature of Representation

If you consider the Alternative Site is **unsound**, please tick which test of soundness your representation relates to. For more information on any of the 9 Tests of Soundness please see the Guidance Note.

Please note you should complete a separate form for each test you consider the Alternative Site fails.

Please tick one Test only

Failure to meet a Soundness Test

1. It has not been prepared in accordance with the authority's Local Development Scheme (LDS).
2. (A) It has not been prepared in compliance with the Statement of Community Involvement (SCI).
(B) Where no SCI exists, it has not been prepared in accordance with the minimum requirements of the Town and Country Planning (Local Development) (England) Regulations 2004.
3. The plan and its policies have not been subject to sustainability appraisal.
4. (A) It is not a spatial plan, or it has not properly had regard to any other relevant plans, policies and strategies relating to the area or to adjoining areas.

¹ The Planning Inspectorate defines 'sound' within its ordinary meaning of 'showing good judgement' and 'able to be trusted' and within the context of fulfilling the expectations of legislation.

- (B) It is inconsistent with national planning policy.
- (C) It is not in general conformity with the regional spatial strategy.
5. It does not have regard to the authority's community strategy.
 6. The strategies/policies/allocations in the plan are not coherent and consistent within and between Development Plan Documents (DPDs) prepared by the authority and by neighbouring authorities, where cross boundary issues are relevant.
 7. The strategies/policies/allocations fail to represent the most appropriate in all the circumstances, having considered the relevant alternatives, and they are not founded on a robust and credible evidence base.
 8. There are no clear mechanisms for implementation and monitoring.
 9. The plan is not reasonably flexible to enable it to deal with changing circumstances.

5. Explanation of Representation

Please give details of why you consider the Alternative Site to be either 'sound' or 'unsound'. If you consider it to be 'unsound' please have regard to the test you have identified in response to question 4(b). Please be as precise as possible.

IT CREATING A GREEN BELT BUFFER ZONE
TO AND AFFECTED COMMUNITIES, & DOES NOT
INFRINGE ON EXISTING NEIGHBOURHOODS BY
THE BUILDING OF A ROAD THROUGH THEM.

I WOULD PREFER TO HAVE NO NEW
UPGRADE BUT CONSIDER THE ALTERNATIVE
TO BE THE LESSER OF TWO EVILS.

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

6(a). Examination

Can your representation seeking a change be considered by written representations or do you consider it necessary to attend in person at the Examination?

Written Representations Attend Examination

6(b). Examination

If you wish to attend in person at the examination, please outline why you consider this to be necessary:

(This area contains a large diagonal line, indicating no response was provided.)

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to attend the Examination.
