Thank you for the email. I did have a comment to make and intended to do so on the SCI Response Form. However, as this is a particular type of .pdf file I cannot complete it electronically. This is not particularly helpful.

My concern about the SCI is that throughout the document no mention is made of Neighbourhood Planning as envisaged by the Localism Bill, which it appears will now receive Royal Assent in the next few weeks. The intention throughout the Localism Bill is to empower local communities and I would suggest your SCI might describe how it compliments Neighbourhood Planning.

Regards

Greg
