NATIONAL REQUIREMENTS

INFORMATION NEEDED	Y/N
Completed form	
A Location plan with the application site edged red and any adjoining and owned by the applicant edged blue at a scale of 1:1250 or 1:2500 in rural areas and showing the direction of North	
A site/block of the site to a scale of not less than 1:200 showing existing features of the site eg, walls, buildings, other structures and boundary treatments. All new works shaded in red. Applicants will also need to show any trees on site and indicate their location, including species, girth and spread on the map.	
A copy of the following plans and drawings. Drawings should clearly outline any materials or finishes to be used. This may include render type and colour, roofing slates, eaves and verge details, and door and window styles:	
• Block plan of the site (e.g. at a scale of 1:100 or 1:200) showing any site boundaries	
• Existing and proposed elevations (e.g. at a scale of 1:50 or 1:100)	
• Existing and proposed floor plans (e.g. at a scale of 1:50 or 1:100)	
• Existing and proposed cross section/site sections and finished floor and site levels (e.g. at a scale of 1:50 or 1:100)	
• Roof plans (e.g. at a scale of 1:50 or 1:100)	
The completed Ownership Certificate (A, B, C or D – as applicable) as required by Article 7 of the Town and Country Planning (General Development Procedure) Order 1995	
Agricultural Holdings Certificate as required by Article 7 of the Town and Country Planning (General Development Procedure) Order 1995	
Design and Access Statement, required if development is in a conservation Area or Area of Outstanding Natural Beauty This will include the developers reasoning behind the final design. It should also include the proposed materials and colour the applicant wishes to use. Further guidance on design statements is also available in publications by the Commission for Architecture and the Built Environment (CABE).	
The appropriate fee (see separate fees form)	
In addition, where Ownership Certificates B, C or D have been completed, notice(s) as required by Article 6 of the Town and Country Planning (General Development Procedure) Order 1995 must be given and/or published in accordance with this Article
